

June 28th, 2011

Happy 4th of July to all! Hope your plans for the long weekend are coming together! We are anxious to get news out to membership regarding our Fall conference and notice of call for nominations for 2011-12 President Elect. So please pass along the following to any and all who may be interested:

First, we had a wonderful get together for spring workshop here in The Dalles, see the web for our photos and meeting notes thanks to Kara Rowe. We had no volunteers for a spot for the July Workshop and hope this is an indication that everyone has lots on their plate and will be planning on the Fall Conference with gusto!

Next, Past President Joan Deardorff will be taking your nominations for President Elect. You can email her directly with those at Joan.Deardorff@providence.org. Joan Wilde has graciously offered to continue in the Treasurer's position, so this is the only nomination we will be seeking for the current year.

Our conference will again be at the SurfSand resort in Cannon Beach and we have 4 wonderful speakers planned, so please share the word with all those in our field who need a reminder of their essential role in healthcare delivery!

As we get closer to the event Oct 20th & 21st, we'll be sending out more information about CHAM and CHAA testing, meal choices – so important & delicious- and vendors that you can plan on meeting with.

Thank you once again for your support and friendship as we navigate this process daily we call a career in Access Management!

Best Regards~

Susan Pincock, CHAM, Pres Elect
