

Our legacy is yours.

Ours is a legacy of health and community. Of respect and responsibility. Of quality and innovation. It's the legacy we create every day at Legacy Health.

Legacy Health places a high priority on building a culture that values diversity in how we work with each other, how we deliver care, how we partner with our community and how we do business.

### **Manager, Patient Access and Telecom**

Legacy Health has an exciting opportunity for an experienced leader as a *Manager, Patient Access, Telecom and Interpreter Services* at Legacy Emanuel Medical Center. Legacy Emanuel, one of two Level 1 trauma centers in the Portland area, provides around-the-clock expertise for critical health conditions, with leading care for trauma, burn and intensive care, as well as a separate children's hospital. Next year The Children's Hospital at Legacy Emanuel will move into a new state-of-the-art nine-story building designed exclusively for the special health care needs of children and will feature all single-room care and a dedicated pediatric ED.

Qualified candidates will have a bachelor's degree with a minimum of five years progressively more responsible experience in Patient Access or other Revenue Cycle area. Previous management experience is also required. The ability to develop and implement strategic initiatives as well as managing day-to-day operations will be essential for this position. Experience working with unionized employees is preferred.
